Customer Agreement

I, the undersigned, am requesting a Nextgen Broadband High Speed Internet access account (account). By signing this agreement, I agree not to use the account for any purpose, which violates U.S., state or local laws. I agree not to use the account to interfere with or disrupt network users, services, or equipment. Such interference or disruption includes, but is not limited to:

- distribution of unsolicited advertising;
- propagation of computer worms or viruses;
- use of the network to make unauthorized entry to other computational, information, or communications devices or resources.

I agree to hold Nextgen Broadband, its officers, agents and any of its members harmless from any liability arising from direct, special, indirect, or consequential damages including but not limited to any lost profits, loss of opportunity, or any other loss which may result from the use of, misuse of, or lack of availability of Nextgen Broadband High Speed Internet access or Clear Lake Telephone Company facilities.

Certain Internet services may contain language or pictures which some individuals may find offensive, inflammatory, or of an adult nature. Such contents are the sole responsibility of the Internet service provider. Clear Lake Telephone Company as the Internet access provider has no control over the content of services available on the Internet. We do not endorse such materials and disclaim any and all liability for their contents.

In the event that you create a web page on the Internet, be aware that Nextgen Broadband reserves the right to disconnect service to pages, which are of an offensive, inflammatory, or of an adult nature.

Your account is not confidential by nature of the Internet. This means that you are responsible for protecting your name, address, phone number and/or other personal information while on the Internet.

As a limited time special, a wireless router will be included in the fiber install fee and will remain the property of Nextgen broadband, therefore, be serviced for 3 years free of charge. After the 3-year time period, the wireless router will become property of the customer and will no longer be serviced free.

Customers signing this agreement are aware of all safety measures needed to protect any and all equipment that will be plugged into the High-Speed Internet Connection. Firewalls and switches are responsibilities of the customer to purchase and install to protect equipment plugged into the High-Speed Internet Connection.
